

### **Merry Christmas from NightLight!**

It's been a busy and exciting season here in Bangkok. God is so faithful in His abundant blessings. We will send out an update later but for this Christmas greeting the following pictures are worth a thousand words. These pictures testify to the love that came to earth in the baby Jesus born two thousand years ago and is still transforming lives today.

### **Worship at Christmas**

#### **Nativity play**

**Pon, NL leader and Benji born to a  
NightLight mother one year**

Thank you for your love, encouragement, and support this year! Glory to God!  
May your Christmas season be filled with joy this day and every day!

Sincerely,

Annie Dieselberg
